

Materials (FLP028-029)

Push the heart down (3 flowers)

Push the heart as deep as you can (4 flowers)

Fold a flower to a crown

For every next flower, fold a little wider

Put a little glue inside the flower

Paste the biggest crown onto a flower

Paste the other crowns inside the biggest crown

Push the inside in deeper

Now paste the smallest crown in the middle

Paste the second flower underneath it

Paste the last flower on the bottom.

The rose is finished!

Finish it off with some leaves
