

1. Materials: Stamping Buddy Pro, cardstock, Layered stamps, Memento ink.

2. Place your cardstock on the Stamping Buddy Pro. Secure your card with the magnets

3. Place the stamp upside down on your card. Draw a pencil line around the position angle.

4. The result.

5. Close the lid so that the stamp will stick.

6. Ink the stamp.

7. Close the lid and stamp.

8. Place your second stamp on the pencil lines.

9. Ink the stamp with your next colour.

10. Close the lid and stamp.

11. Repeat this with your third stamp and this is the result!
